

# Bill Bradley appointed to first state cybersecurity commission

**Louisiana governor establishes commission to help protect residents' sensitive data and defend state systems against malicious attacks**

MONROE, La., March 12, 2018 /PRNewswire/ -- [CenturyLink, Inc.](#) (NYSE: CTL) today announced Bill Bradley, senior vice president, cyber engineering and technology services, has been named a member of the Louisiana cybersecurity commission.

The [commission](#), established in December 2017 by Louisiana Governor John Bel Edwards, includes 15 appointed members who are tasked with coordinating cybersecurity efforts among state governmental agencies, local governments, tribal governments, public and private companies, academic institutions and others.

"CenturyLink applauds Governor Edwards for developing this commission to help defend the state of Louisiana and its citizens against the growing number of cyber threats," Bradley said. "With our expansive view of the internet, backed by our global IP backbone, CenturyLink offers actionable threat intelligence and [next-generation security solutions](#) that reduce the cost and complexity of protecting against cyber attacks. We look forward to working with the other members of the commission and our cyber partners nationwide in strengthening Louisiana's cybersecurity awareness and capabilities."
